May we urge your enthusiastic support for Richard M. Nixon for President and Henry Cabot Lodge for Vice-President.

Speaking for a group of educators who have offered to do all they can to help, we are inviting you to join with us as SCHOLARS FOR NIXON AND LODGE.

If you believe that Nixon and Lodge are the men most capable of leading our country through the international and domestic problems of the next four years, we invite you to join us in working for their election.

One of the most important things each of us can do as individuals is to take every opportunity to discuss our convictions with our friends and professional associates in all levels of teaching, research and academic administration.

We must give special attention to the many people who are undecided as our success or failure may depend on them.

As you discover people who are undecided regarding the candidates, send their names to SCHOLARS FOR NIXON AND LODGE, 902 Market Street, San Francisco. If you are undecided, use the enclosed card.

Sincerely,

Wendell M. Stanley
